County of Los Angeles

Los Angeles, CA 90012

Dear Supervisors:

**AGREEMENT WITH HEAL THE BAY
FOR PARTICIPATION IN COASTAL CLEANUP DAY
ALL SUPERVISORIAL DISTRICTS
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Award and delegate authority to the Director of Public Works to execute an agreement to allow Public Works to participate in Heal the Bay's Coastal Cleanup Day, a day of educational and volunteer events involving an estimated 60 beach, river, and inland waterway cleanup sites throughout the Los Angeles County on the morning of September 18, 2004. This agreement will commence upon Board approval and the Director's execution of the agreement and continue through December 31, 2004, with three 1-year renewal options, that may be exercised by written, mutual consent of the Director and Heal the Bay. Any renewal options will commence January 1 of each option year and continue for a period of one year.
2. Delegate authority to the Director of Public Works to renew this agreement for each additional option year with Heal the Bay's mutual consent, if, in the opinion of the Director, renewal is warranted or to terminate this agreement, if, in the opinion of the Director, it is in the best interest of the County to do so.

3. Authorize the contractor to proceed with the work in accordance with the agreement's specifications, terms, conditions, and requirements.
4. Authorize Public Works to encumber an annual amount not to exceed \$25,000, which represents Public Works' level of participation in Coastal Cleanup Day. Funds are available in the Los Angeles County Flood Control District's (District) Fiscal Year 2004-05 budget to cover the cost of this agreement's first period.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

This agreement with Heal the Bay will assist the County of Los Angeles (County) in reaching the public with environmental messages which will further our compliance in meeting the requirements of the National Pollutant Discharge Elimination System (NPDES) Permit of 2001 and the Integrated Waste Management Act (AB939) of 1989. Both the NPDES Permit and AB939 require us to increase public awareness of environmental issues through education.

Heal the Bay, in collaboration with KCBS/KCAL-TV, corporate partners, various nonprofit organizations, and government agencies, will coordinate Coastal Cleanup Day in an effort to remove trash and debris from beaches and waterways, to identify the sources of debris, and to change the behaviors that cause pollution. County participation in Coastal Cleanup Day will assist the County in meeting its State and Federal obligations, promote the County's educational messages, enhance the County's image as a leader in the area of environmental education, involve County residents in taking responsibility for the quality of the environment, and highlight how the County is increasing the quality of life for residents in Southern California.

Heal the Bay has been the County coordinator for Coastal Cleanup Day for more than 15 years. This will be the seventh consecutive year that Heal the Bay and the County have worked together on an environmental event. Previous Heal the Bay events in which the County has been a partner have been honored by the County's Quality and Productivity Commission and the Regional Water Quality Control Board. This year's event is scheduled to take place on the morning of September 18, 2004, at an estimated 60 sites throughout the County.

The 2003 Coastal Cleanup Day event was held on September 20, 2003, with 9,000 volunteers participating from Los Angeles County, more than any other county in California. Volunteers picked up 60,126 pounds of trash and 2,866 pounds of recyclables from 57 beach and river sites.

Heal the Bay has continued to partner with and provide the County its expertise regarding stormwater issues. Heal the Bay provides its expertise at low cost, since it is a nonprofit organization and most of its staff are volunteers. Heal the Bay has a proven track record of being a leader in the stormwater arena by developing creative yet feasible ideas that have assisted the County in meeting the mandates of the 2001 NPDES Stormwater Permit. To the public, Heal the Bay's name is synonymous with stormwater education. Heal the Bay's community network has provided the County in the past with valuable pro bono services that the County would otherwise have to purchase. For example, Heal the Bay arranged celebrity appearances at the annual Bay Days events held during the last two years.

KCBS/KCAL-TV has partnered with the County and Heal the Bay for the past three years by producing and broadcasting a half-hour to one-hour special about stormwater pollution within the County. It has also produced public service announcements (PSAs) and aired them as paid media buys and "infotorials" as well as pro bono. KCBS/KCAL-TV is this year's media sponsor for Coastal Cleanup Day, ensuring excellent coverage of the event for Heal the Bay.

Implementation of Strategic Plan Goals

The award of this agreement is consistent with the County Strategic Plan Goals of Organizational Effectiveness and Children and Families' Well-Being, as the Coastal Cleanup Day enhances and supports Public Works' efforts to meet the requirements of the NPDES Stormwater Permit and engages children and families in the act of environmental stewardship.

FISCAL IMPACT/FINANCING

This agreement is for an annual amount not to exceed \$25,000. This amount represents Public Works' level of participation in Coastal Cleanup Day. This agreement will commence upon Board approval and the Director's execution of the agreement and continue through December 31, 2004. With the Board's delegated authority, the Director may renew this agreement, with Heal the Bay's mutual consent, for the additional three 1-year renewal options. In any event, this agreement may be canceled or terminated at any time by the County, without cause, upon the giving of at least 30 days' written notice to the contractor.

Funds are available in the District's Fiscal Year 2004-05 budget to cover the cost of this agreement's first period. Funds to finance the additional renewal options of this

agreement will be made available through Public Works' annual budget process. There will be no impact on net County cost.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Prior to the Director executing this agreement, which is substantially reflected in Enclosure A, the contractor will sign. County Counsel has reviewed this agreement as to form.

APPENDIX A

PART I

SPECIFICATIONS AND CONDITIONS FOR AGREEMENT WITH HEAL THE BAY FOR COASTAL CLEANUP DAY

SCOPE OF WORK

A. Introduction

California Coastal Cleanup Day is the premier volunteer event focused on the marine environment in the country. Each year, more than 40,000 volunteers report to more than 400 cleanup sites statewide to conduct what has been hailed by the Guinness Book of Records as "the largest garbage collection" (1993). Since the program started in 1985, over 552,000 volunteers have removed almost 8.5 million pounds of debris from our state's shorelines and coast.

When combined with the International Coastal Cleanup, organized by The Ocean Conservancy and taking place on the same day, Coastal Cleanup Day becomes part of one of the largest volunteer events of the year. Coastal Cleanup Day is the highlight of the California Coastal Commission's year-round Adopt-A-Beach program and takes place every year on the third Saturday of September, from 9 a.m. to noon. This year, that day falls on September 18.

Coming at the end of the summer beach season and right near the start of the school year, Coastal Cleanup Day is a great way for families, students, service groups, and neighbors to join together, take care of our fragile marine environment, show community support for our shared natural resources, learn about the impacts of marine debris and how we can prevent them, and to have fun. Coastal Cleanup Day is also the kick-off event for Coastweeks - three weeks of coastal and water-related events for the whole family.

B. Stormwater Background

The County covers an area of over 4,000 square miles with a population of 10 million residents, or nearly 30 percent of the entire population of the State of California. The State requires the County to provide environmental education programs for the general public and students in grades K-12, communicating practices that promote and encourage waste reduction, recycling, and reusing to help preserve the environment and proper use of the storm drain system.

The flood control system in the County consists of 74,000 storm drains and more than 2,500 miles of pipes and flood control channels. The system collects stormwater runoff from urbanized areas and conveys it quickly to the ocean to

prevent flooding, property damage, and potential loss of life. The collected water is not treated in any way. It flows straight to the ocean, depositing trash, bacteria, and other pollution picked up from our urban areas into the ocean.

Stormwater pollution is regulated by National Pollution Discharge Elimination Systems (NPDES) Permits issued by California Regional Water Quality Control Board, Los Angeles Region (CRWQCB). Stormwater pollution is considered "non-point" source pollution; it comes from numerous sources (e.g., pavement residues, the general public, industrial/commercial sites, and construction activities; which have a cumulative adverse impact on the quality of the water. This in turn adversely affects the quality of the receiving waters such as rivers and the ocean.

Public Works is engaged in a program to reduce the amount of pollution entering our storm drain system and our rivers and ocean. On December 13, 2001, the County received an NPDES Permit from the CRWQCB which regulates what can be discharged into our waters and makes the County responsible for ensuring and enforcing compliance. The Permit requires us to control and reduce pollutants entering the storm drain system from residents and businesses in our jurisdiction.

The Permit requires Public Works to implement a public education campaign that will effectively reach County residents and businesses with information about stormwater pollution and what can be done to prevent it. The goal of this education is to reduce pollution in our waterways and ocean by convincing County residents to change their behavior. The Permit specifies outreach that targets the general public, pollutant-specific campaigns, and businesses. In addition it specifies assessment of the program.

As the designated Principal Permittee for the NPDES Permit, Public Works has been implementing a Countywide public education strategy. This strategy developed methods for addressing issues facing County residents, businesses, school children, and municipalities on the concepts and practice of preventing pollution at the source.

C. SOURCE REDUCTION BACKGROUND

County residents dispose of approximately 12 million tons of waste per year, most of which is disposed of in landfills located throughout the County. More than ten years ago, the County had 16 major landfills available in the metropolitan area, today only six are operational.

Recognizing our diminished disposal space and the need to work cooperatively with others toward a common solution, the Board of Supervisors (Board) adopted the County Solid Waste Management Action Plan (Action Plan) in April 1988 to provide long-range solutions for the management of this region's solid waste.

The Action Plan is an integrated regional approach to managing solid waste, which incorporates the source reduction, recycling, and composting programs; increases public education awareness programs; and recognizes that landfills will remain an integral part of the system for the foreseeable future. The Action Plan has also set the stage for regional efforts to meet the mandate of the Integrated Waste Management Act (AB 939) of 1989, in diverting 50 percent of the waste generated from disposal (based on 1990 levels) by the year 2000. AB 939 also requires the County to provide for 15 years of disposal capacity on a Countywide basis.

D. COUNTY CONTRACT MANAGER

The County Contract Manager will be Melinda Barrett of Public Works Public Relations Group, who can be contacted at (626) 458-5975, Monday through Thursday from 7 a.m. to 5:30 p.m. The County Contract Manager is the only County employee authorized to request work of Heal the Bay. From time to time, the County may change the Contract Manager. Heal the Bay will be notified in writing when there is a change in the Contract Manager.

E. WORK DESCRIPTION

1. Heal the Bay shall be responsible for all work necessary to conduct Coastal Cleanup Day. The goal of the program is to engage volunteers from throughout Los Angeles County in a series of cleanup events at local beaches, inland waterways and neighborhoods, while educating them on the long-term benefits of stormwater pollution prevention behaviors.

All work conducted under this Agreement shall be submitted to and approved by the County Contract Manager. Material shall be submitted in time to allow a reasonable review period. The County's Program Managers shall be included in the development process for strategies and materials on a continuous basis.

Heal the Bay shall perform the following tasks:

- a. Task 1 - Work Plan: Submit a work plan outlining the County's role in Coastal Cleanup Day within 30 days of approval date of this Agreement.
 - b. Task 2 - Report/Post-Program Evaluation: Heal the Bay shall meet with the County Project Manager and shall be responsible for submitting reports and program evaluation as needed.
2. The development and implementation of programs developed by Heal the Bay shall conform to all requirements in the County's NPDES Permit including the following tasks:

- a. Develop clear and consistent messages that will raise public awareness of the problems and solutions, including a description of activities with the potential to pollute stormwater, and result in residents adopting nonpolluting behaviors.
- b. Identify solutions or applicable measures that can be taken to prevent stormwater pollution and develop public outreach campaigns designed for the general public, employee training, and other outreach with these themes as an integral component.
- c. Evaluate and assess the effectiveness of public outreach and education for the general public and targeted groups. An in-depth assessment of behavioral change may be required for a targeted pilot audience or area.
- d. Involve and engage all socioeconomic and ethnic groups in the County in mitigating the impacts of stormwater pollution. This may involve the necessity to staff events, provide collateral materials, and translate program information to languages other than English as requested by the County.

1. The County's obligation is payable only and solely from funds appropriated for the purpose of this Agreement.
2. All funds for payments after June 30 of the current fiscal year are subject to the County's legislative appropriation for this purpose. Payments during subsequent fiscal periods are dependent upon the same action.
3. In the event this Agreement extends into succeeding fiscal year periods, and if the governing body appropriating the funds does not allocate sufficient funds for the next succeeding fiscal year's payments, then the affected equipment and/or services shall be terminated as of June 30 of the then current fiscal year. The County shall notify Heal the Bay in writing of such non-allocation at the earliest possible date.

B. NONDISCRIMINATION IN EMPLOYMENT

If the County finds that any of the above provisions have been violated, the same shall constitute a material breach of agreement upon which the County may determine to cancel, terminate, or suspend this Agreement. While the County reserves the right to determine independently that the anti-discrimination provisions of this Agreement have been violated, in addition, a determination by

the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity Commission that Heal the Bay has violated State or Federal anti-discrimination laws or regulations shall constitute a finding by the County that Heal the Bay has violated the anti-discrimination provisions of this Agreement.

The parties agree that in the event Heal the Bay violates the anti-discrimination provisions of this Agreement, the County shall, at its option, be entitled to a sum of \$500 pursuant to California Civil Code Section 1671 as liquidated damages in lieu of canceling, terminating, or suspending this Agreement.

C. HEAL THE BAY'S WARRANTY OF ADHERENCE TO COUNTY'S CHILD SUPPORT COMPLIANCE PROGRAM

Heal the Bay acknowledges that the County has established a goal of ensuring that all individuals who benefit financially from the County through contract are in compliance with their court-ordered child, family, and spousal support obligations in order to mitigate the economic burden otherwise imposed upon the County and its taxpayers.

As required by the County's Child Support Compliance Program (County Code Chapter 2.200), and without limiting Heal the Bay's duty under this Agreement to comply with all applicable provisions of law, Heal the Bay warrants that it is now in compliance and shall during the term of this Agreement maintain compliance with the employment and wage reporting requirements of the Federal Social Security Act (42 USC Section 653a) and California Unemployment Insurance Code Section 1088.5, and shall implement lawfully served Wage and Earnings Withholding Orders or Child Support Services Department Notices of Wage and Earnings Assignment for Child, Family, or Spousal Support, pursuant to Code of Civil Procedure Section 706.031 and Family Code Section 5246(b).

In the event of such a breach, this Agreement may be terminated forthwith.

In the event the County should consent to subcontracting, each and all of the provisions of this Agreement and any amendment thereto shall extend to and be binding upon and inure to the benefit of the successors or administrators of the respective parties.

In the event the County should consent to subcontracting, the Agreement shall include in all subcontracts the following provision: "This Agreement is a subcontract under the terms of a prime contract with the County of Los Angeles. All representations and warranties shall inure to the benefit of the County of Los Angeles."

Any third party delegate(s) appointed by Heal the Bay shall be specified in writing to the Director for advance concurrence.

The provisions of this Section shall be inserted into any such subcontract agreement and a copy of the Jury Service Program shall be attached to the agreement.
 - c. If Heal the Bay is not required to comply with the Jury Service Program when this Agreement commences, Heal the Bay shall have a continuing obligation to review the applicability of its "exception status" from the Jury Service Program, and Heal the Bay shall immediately notify the County if Heal the Bay at any time either comes within the Jury Service Program's definition of "Contractor" or if Heal the Bay no longer qualifies for an exception to the Program. In either event, Heal the Bay shall immediately

implement a written policy consistent with the Jury Service Program. The County may also require, at any time during this Agreement and at its sole discretion, that Heal the Bay demonstrate to the County's satisfaction that Heal the Bay either continues to remain outside of the Jury Service Program's definition of "Contractor" and/or that Heal the Bay continues to qualify for an exception to the Program.

- d. Heal the Bay's violation of this Section of this Agreement may constitute a material breach of this Agreement. In the event of such material breach, the County may, in its sole discretion, terminate this Agreement and/or bar Heal the Bay from the award of future County contracts for a period of time consistent with the seriousness of the breach.

H. CONSIDERATION OF HIRING COUNTY EMPLOYEES TARGETED FOR LAYOFFS

Any payments to any assignee of any claim under this Agreement in consequence of such consent shall be subject to set off, recoupment, or other reduction for any claim which the County may have.
2. Any delegation of duties or assignment of rights, including but not limited to a merger, acquisition, asset sale and the like, shall be in the form of a subcontract or formal assignment, as applicable. N. TERMINATION FOR IMPROPER CONSIDERATION

The County may, by written notice to Heal the Bay, immediately terminate the right of Heal the Bay to proceed under this Agreement if it is found that consideration, in any form, was offered or given by Heal the Bay, either directly or through an intermediary, to any County officer, employee or agent with the intent of securing this Agreement or securing favorable treatment with respect to the award, amendment or extension of this Agreement or the making of any

determinations with respect to Heal the Bay's performance pursuant to this Agreement. In the event of such termination, the County shall be entitled to pursue that same remedies against Heal the Bay as it could pursue in the event of default by Heal the Bay.

Heal the Bay shall immediately report any attempt by a County officer or employee to solicit such improper consideration. Such material, including all pertinent costs, accounting, financial records, and proprietary data, shall be kept and maintained by Heal the Bay, at a location in Los Angeles County, for a period of three years after completion of this Agreement unless the County's written permission is given to dispose of material prior to the end of such period.

Q. VALIDITY

The invalidity in whole or in part of any provision of this Agreement shall not void or affect the validity of any other provision.

R. WAIVER

No waiver of a breach of any provision of this Agreement by either party shall constitute a waiver of any other breach of said provision or any other provision of this Agreement. Failure of either party to enforce at anytime or from time to time, any provision of this Agreement shall not be construed as a waiver thereof. The remedies herein reserved shall be cumulative and additional to any other remedies in law or equity.

S. DEFAULT FOR INSOLVENCY

1. The County may cancel forthwith this Agreement for default in the event of the occurrence of any of the following:
 - a. Insolvency of Heal the Bay. Heal the Bay shall be deemed to be insolvent if it has ceased to pay its debts in the ordinary course of business or cannot pay its debts as they become due, whether it has committed an act of bankruptcy or not, and whether insolvent within the meaning of the Federal Bankruptcy Law or not.
 - b. The filing of a voluntary petition to have Heal the Bay declared bankrupt.

T. DEFAULT

1. The County may, subject to the provisions of Paragraph 3 below, by written notice of default to Heal the Bay, terminate the whole or any part of this Agreement in any one of the following circumstances:
 - a. If Heal the Bay fails to perform the services within the time specified herein or any extension thereof; or
 - b. If Heal the Bay fails to perform any of the other provisions of this Agreement, or so fails to make progress as to endanger performance of this Agreement in accordance with its terms, and in either of these two circumstances does not cure such failure within a period of 10 calendar days (or such longer period as the County may authorize in writing) after receipt of notice from the County specifying such failure.
2. In the event the County terminates this Agreement in whole or in part as provided in Paragraph "1" above, the County may procure, upon such terms and in such manner as the County may deem appropriate, services similar to those so terminated, and Heal the Bay shall be liable to the County for any excess costs for such similar services, provided that Heal

the Bay shall continue the performance of this Agreement to the extent not terminated under the provisions of this clause.

3. Except with respect to defaults of subcontractors, Heal the Bay shall not be liable for any excess costs if the failure to perform this Agreement arises out of causes beyond the control and without the fault or negligence of Heal the Bay.

Such causes may include, but are not restricted to acts of God or of the public enemy, acts of the County in either its sovereign or contractual capacity, acts of the Federal or State government in its sovereign capacity, fires, floods, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case, the failure to perform must be beyond the control and without the fault or negligence of Heal the Bay. 4. If, after Notice of Termination of this Agreement under the provisions of this clause, it is determined for any reason that Heal the Bay was not in default under the provisions of this clause, or that the default was excusable under the provisions of this clause, the rights and obligations of the parties shall be the same as if the Notice of Termination had been issued pursuant to the Termination for Convenience of the County clause above (see Part II, Section EE.2).
5. The rights and remedies of the County provided in this clause shall not be exclusive and are in addition to any other rights and remedies provided by law or under this Agreement.
6. As used herein, the terms "subcontractor" and "subcontractors" mean persons, companies, corporations, or other organizations furnishing supplies, services of any nature, equipment, or materials to Heal the Bay, at any tier, under oral or written agreement.

Should Heal the Bay receive any such payment it shall immediately notify the County and shall immediately repay all such funds to the County. Payment by the County for services rendered after expiration or other termination of this Agreement shall not

constitute a waiver of the County's right to recover such payment from Heal the Bay. This provision shall survive the expiration or other termination of this Agreement.

BB. CONTRACTOR RESPONSIBILITY AND DEBARMENT

1. A responsible Contractor is a Contractor who has demonstrated the attribute of trustworthiness, as well as quality, fitness, capacity, and experience to satisfactorily perform the proposed Agreement. It is the County's policy to conduct business only with responsible contractors.

4. If there is evidence that Heal the Bay may be subject to debarment, the County will notify Heal the Bay in writing of the evidence which is the basis for the proposed debarment and will advise Heal the Bay of the scheduled date for a debarment hearing before the Contractor Hearing Board.
5. The Contractor Hearing Board will conduct a hearing where evidence on the proposed debarment is presented. Heal the Bay and/or Heal the Bay's representative shall be given an opportunity to submit evidence at that hearing. After the hearing, the Contractor Hearing Board will prepare a proposed decision, which will contain a recommendation regarding whether Heal the Bay should be debarred, and, if so, the appropriate length of time of the debarment. If Heal the Bay fails to avail itself of the opportunity to submit evidence to the Contractor Hearing Board, Heal the Bay may be deemed to have waived all rights of appeal.

6. A record of the hearing, the proposed decision and any other recommendation of the Contractor Hearing Board will be presented to the Board. The Board will have the right to modify, deny or adopt the proposed decision and recommendation of the Contractor Hearing Board.
7. These terms shall also apply to subcontractors of Heal the Bay.

CC. COUNTY'S QUALITY ASSURANCE PLAN

The County will evaluate Heal the Bay's performance under this Agreement on not less than an annual basis. Such evaluation will include assessing Heal the Bay's compliance with all Agreement terms and performance standards. Heal the Bay deficiencies which the County determines are severe or continuing and that may place performance of this Agreement in jeopardy, if not corrected, will be reported to the Board. The report will include improvement/corrective action measures taken by the County and Heal the Bay. 1. Unsatisfactory Service

The County reserves the right to cancel these services upon giving 14 days' written notice if the services are deemed unsatisfactory in the opinion of the Director of Public Works.

2. Convenience

It is not the intent of the County to terminate this Agreement before the completion of all items except for sound business reasons of which the County shall be the sole judge; however, and notwithstanding:

- a. The County reserves the right to renegotiate the terms of this Agreement to reduce Heal the Bay's compensation in the event such reduction is necessary, in the sole discretion of the County, to achieve the County budget reductions. Nothing in this paragraph is intended to diminish the County's right to terminate this Agreement as provided herein.

- b. The County may at any time terminate this Agreement, or any portion thereof, without liability (except as hereinafter provided) by delivering to Heal the Bay written notice specifying the desired termination date at least 30 days in advance thereof.
- c. In the event that this Agreement is terminated Heal the Bay shall, within 30 days of the Notice of Termination, complete those items of work which are in various stages of completion and which the Director determines are necessary to bring the work to a timely, logical, and orderly end. Reports, samples, and other materials prepared by Heal the Bay under this Agreement shall be delivered to the County upon request and shall become the property of the County.

3. Termination Claim

In the event that this Agreement is terminated, Heal the Bay shall, within 60 days after the Notice of Termination, submit to the County its termination claim.

Subject to the provisions of the paragraph immediately below, the County and Heal the Bay shall negotiate an equitable amount to be paid Heal the Bay by reason of the total or partial termination of work pursuant to this clause, which amount shall include a reasonable allowance for costs of services rendered, but shall not include an allowance on services terminated. The County shall pay the agreed amount provided that such amount shall not exceed the total funding obligated under this Agreement, and reduced by the amount of payments otherwise made, and as further reduced by this Agreement price of services not terminated.

Failure of Heal the Bay to submit its termination claim and invoice within the time allowed, the County may determine, on the basis of information available to the County, the amount, if any, due to Heal the Bay in respect to the termination, and such determination shall be final. After such determination is made, the County shall pay Heal the Bay the amount so determined.

4. Termination for Breach of Warranty to Maintain Compliance with County's Child Support Requirements

Failure of Heal the Bay to maintain compliance with the requirements set forth in Part II, Paragraph C of this Appendix A shall constitute default under this Agreement. Without limiting the rights and remedies available to the County under any other provision of the Agreement, failure of Heal the Bay to cure such default within 90 calendar days of written notice shall be

grounds upon which the County may terminate the Agreement pursuant to Part II, Paragraph T.1 "Default," of this Appendix A, and debar Heal the Bay pursuant to County Code Chapter 2.202.

FF. CHANGES AND AMENDMENTS OF TERMS

The County reserves the right to change any portion of the work required under this Agreement, or amend such terms and conditions which may become necessary. Any such revisions shall be accomplished in the following manner:

2. For any revision which materially affects the scope of work, period of performance, payments, or any material term or condition included in this Agreement, a negotiated modification to this Agreement shall be executed by the Board and Heal the Bay.

GG. Confidentiality

Heal the Bay shall maintain the confidentiality of all its records relating to this Agreement, according to all applicable Federal, State, and County laws, regulations, ordinances, and directives relating to confidentiality. COUNTY OF LOS ANGELES

Policy on Doing Business With Small Business

Forty-two percent of businesses in Los Angeles County have five or fewer employees. Only about 4 percent of businesses in the area exceed 100 employees. According to the Los Angeles Times and local economists, it is not large corporations, but these small companies that are generating new jobs and helping move Los Angeles County out of its worst recession in decades.

WE RECOGNIZE ...

The importance of small business to the County:

- In fueling local economic growth.
- Providing new jobs.
- Creating new local tax revenues.
- Offering new entrepreneurial opportunity to those historically under-represented in business.

The County can play a positive role in helping small business grow:

- As a multi-billion dollar purchaser of goods and services.
- As a broker of intergovernmental cooperation among numerous local jurisdictions.
- By greater outreach in providing information and training.

Notice 1015

(Rev. December 2003)

**Have You Told Your Employees About the
Earned Income Credit (EIC)?**

What Is the EIC?

The EIC is a refundable tax credit for certain workers.

A change to note. Workers **cannot** claim the EIC if their 2003 investment income (such as interest and dividends) is over \$2,600.

Which Employees Must I Notify About the EIC?

You must notify each employee who worked for you at any time during the year and from whom you did not withhold income tax. However, you do not have to notify any employee who claimed exemption from withholding on **Form W-4**, Employee's Withholding Allowance Certificate.

Note: *You are encouraged to notify each employee whose wages for 2003 are less than \$34,692 that he or she may be eligible for the EIC.*

How and When Must I Notify My Employees?

You must give the employee one of the following:

- The IRS **Form W-2**, Wage and Tax Statement, which has the required information about the EIC on the back of **Copy B**.
- A substitute Form W-2 with the same EIC information on the back of the employee's copy that is on Copy B of the IRS Form W-2.
- **Notice 797**, Possible Federal Tax Refund Due to the Earned Income Credit (EIC).
- Your written statement with the same wording as Notice 797.

If you are required to give Form W-2 and do so on time, no further notice is necessary if the Form W-2 has the required information about the EIC on the back of the employee's copy. If a substitute Form W-2 is given on time but does not have the required information, you must notify the employee within 1 week of the date the substitute Form W-2 is given. If Form W-2 is required but is not given on time, you must give the employee Notice 797 or your written statement by the date Form W-2 is required to be given. If Form W-2 is not required, you must notify the employee by February 9, 2004.

You must hand the notice directly to the employee or send it by First-Class Mail to the employee's last known address. You will not meet the notification requirements by posting Notice 797 on an employee bulletin board or sending it through office mail. However, you may want to post the notice to help inform all employees of the EIC. You can get copies of the notice by calling 1-800-829-3676, or from the IRS website at www.irs.gov.

How Will My Employees Know If They Can Claim the EIC?

The basic requirements are covered in Notice 797. For more detailed information, the employee needs to see the 2003 instructions for Form 1040, 1040A, 1040EZ, or **Pub. 596**, Earned Income Credit (EIC).

How Do My Employees Claim the EIC?

Eligible employees claim the EIC on their 2003 tax return. Even employees who have no tax withheld from their pay or owe no tax can claim the EIC and get a refund, but they must file a tax return to do so. For example, if an employee has no tax withheld in 2003 and owes no tax but is eligible for a credit of \$791, he or she must file a 2003 tax return to get the \$791 refund.

How Do My Employees Get Advance EIC Payments?

Eligible employees who expect to have a qualifying child for 2004 can get part of the credit with their pay during the year by giving you a completed **Form W-5**, Earned Income Credit Advance Payment Certificate. You **must** include advance EIC payments with wages paid to these employees, but the payments are not wages and are not subject to payroll taxes. Generally, the payments are made from withheld income, social security, and Medicare taxes. For details, see **Circular E (Pub. 15)**, Employer's Tax Guide.

What is the Safely Surrendered Baby Law?

California's Safely Surrendered Baby Law allows parents to give up their baby confidentially. As long as the baby has not been abused or neglected, parents may give up their newborn without fear of arrest or prosecution.

How does it work?

A distressed parent who is unable or unwilling to care for a baby can legally, confidentially and safely give up a baby within three days of birth. The baby must be handed to an employee at a Los Angeles County emergency room or fire station. As long as the child shows no signs of abuse or neglect, no name or other information is required. In case the parent changes his or her mind at a later date and wants the baby back, workers will use bracelets to help connect them to each other. One bracelet will be placed on the baby, and a matching bracelet will be given to the parent.

What if a parent wants the baby back?

Parents who change their minds can begin the process of reclaiming their newborns within 14 days. These parents should call the Los Angeles County Department of Children and Family Services at 1-800-540-4000.

Can only a parent bring in the baby?

In most cases, a parent will bring in the baby. The law allows other people to bring in the baby if they have legal custody.

Does the parent have to call before bringing in the baby?

No. A parent can bring in a baby anytime, 24 hours a day, 7 days a week so long as the parent gives the baby to someone who works at the hospital or fire station.

Does a parent have to tell anything to the people taking the baby?

No. However, hospital personnel will ask the parent to fill out a questionnaire designed to gather important medical history information, which is very useful in caring for the child. Although encouraged, filling out the questionnaire is not required.

What happens to the baby?

The baby will be examined and given medical treatment, if needed. Then the baby will be placed in a pre-adoptive home.

What happens to the parent?

Once the parent(s) has safely turned over the baby, they are free to go.

Why is California doing this?

The purpose of the Safely Surrendered Baby Law is to protect babies from being abandoned by their parents and potentially being hurt or killed. You may have heard tragic stories of babies left in dumpsters or public bathrooms. The parents who committed these acts may have been under severe emotional distress. The mothers may have hidden their pregnancies, fearful of what would happen if their families found out. Because they were afraid and had nowhere to turn for help, they abandoned their infants. Abandoning a baby puts the child in extreme danger. It is also illegal. Too often, it results in the baby's death. Because of the Safely Surrendered Baby Law, this tragedy doesn't ever have to happen in California again.

A baby's story

At 8:30 a.m. on Thursday, July 25, 2002, a healthy newborn baby was brought to St. Bernardine Medical Center in San Bernardino under the provisions of the California Safely Surrendered Baby Law. As the law states, the baby's mother did not have to identify herself. When the baby was brought to the emergency room, he was examined by a pediatrician, who determined that the baby was healthy and doing fine. He was placed with a loving family while the adoption process was started.

Every baby deserves a chance for a healthy life. If someone you know is considering abandoning a newborn, let her know there are other options.

It is best that women seek help to receive proper medical care and counseling while they are pregnant. But at the same time, we want to assure parents who choose not to keep their baby that they will not go to jail if they deliver their babies to safe hands in any Los Angeles County hospital ER or fire station.

Sin pena. Sin culpa. Sin peligro.

¿Qué es la Ley de Entrega de Bebés Sin Peligro?

La Ley de Entrega de Bebés Sin Peligro de California permite a los padres entregar a su recién nacido confidencialmente. Siempre que el bebé no haya sufrido abuso ni negligencia, padres pueden entregar a su recién nacido sin temor a ser arrestados o procesados.

¿Cómo funciona?

El padre/madre con dificultades que no pueda o no quiera cuidar de su recién nacido puede entregarlo en forma legal, confidencial y segura, dentro de los tres días del nacimiento. El bebé debe ser entregado a un empleado de una sala de emergencias o de un cuartel de bomberos del Condado de Los Angeles. Siempre que el bebé no presente signos de abuso o negligencia, no será necesario suministrar nombres ni información alguna. Si el padre/madre cambia de opinión posteriormente y desea recuperar a su bebé, los trabajadores utilizarán brazaletes para poder vincularlos. El bebé llevará un brazalete y el padre/madre recibirá un brazalete igual.

¿Qué pasa si el padre/madre desea recuperar a su bebé?

Los padres que cambien de opinión pueden empezar el proceso de reclamar a su recién nacido dentro de los 14 días. Estos padres deberán llamar al Departamento de Servicios para Niños y Familias (Department of Children and Family Services) del Condado de Los Angeles, al 1-800-540-4000.

¿Sólo los padres podrán llevar al recién nacido?

En la mayoría de los casos, los padres son los que llevan al bebé. La ley permite que otras personas lleven al bebé si tienen la custodia legal del menor.

¿Los padres deben llamar antes de llevar al bebé?

No. El padre/madre puede llevar a su bebé en cualquier momento, las 24 horas del día, los 7 días de la semana, mientras que entregue a su bebé a un empleado del hospital o de un cuartel de bomberos.

¿Es necesario que el padre/madre diga algo a las personas que reciben al bebé?

No. Sin embargo, el personal del hospital le pedirá que llene un cuestionario con la finalidad de recabar antecedentes médicos importantes, que resultan de gran utilidad para los cuidados que recibirá el bebé. Es recomendado llenar este cuestionario, pero no es obligatorio hacerlo.

¿Qué ocurrirá con el bebé?

El bebé será examinado y, de ser necesario, recibirá tratamiento médico. Luego el bebé se entregará a un hogar preadoptivo.

¿Qué pasará con el padre/madre?

Una vez que los padres hayan entregado a su bebé en forma segura, serán libres de irse.

¿Por qué California hace esto?

La finalidad de la Ley de Entrega de Bebés Sin Peligro es proteger a los bebés del abandono por parte de sus padres y de la posibilidad de que mueran o sufran daños. Usted probablemente haya escuchado historias trágicas sobre bebés abandonados en basureros o en baños públicos. Es posible que los padres que cometieron estos actos hayan estado atravesando dificultades emocionales graves. Las madres pueden haber ocultado su embarazo, por temor a lo que pasaría si sus familias se enteraran. Abandonaron a sus recién nacidos porque tenían miedo y no tenían adonde recurrir para obtener ayuda. El abandono de un recién nacido lo pone en una situación de peligro extremo. Además es ilegal. Muy a menudo el abandono provoca la muerte del bebé. Ahora, gracias a la Ley de Entrega de Bebés Sin Peligro, esta tragedia ya no debe suceder nunca más en California.

Historia de un bebé

A las 8:30 a.m. del jueves 25 de julio de 2002, se entregó un bebé recién nacido saludable en el St. Bernardine Medical Center en San Bernardino, en virtud de las disposiciones de la Ley de Entrega de Bebés Sin Peligro. Como lo establece la ley, la madre del bebé no se tuvo que identificar. Cuando el bebé llegó a la sala de emergencias, un pediatra lo revisó y determinó que el bebé estaba saludable y no tenía problemas. El bebé fue ubicado con una buena familia, mientras se iniciaban los trámites de adopción.

**Cada recién nacido merece una
oportunidad de tener una vida saludable.
Si alguien que usted conoce está pensando
en abandonar a un recién nacido, infórmele
qué otras opciones tiene.**

Es mejor que las mujeres busquen ayuda para recibir atención médica y asesoramiento adecuado durante el embarazo. Pero al mismo tiempo, queremos asegurarles a los padres que optan por no quedarse con su bebé que no irán a la cárcel si dejan a sus bebés en buenas manos en cualquier sala de emergencia de un hospital o en un cuartel de bomberos del Condado de Los Angeles.
